Special Exclusions to Section 1

The Insurers shall not, however, be liable for

- a) the deductible stated in schedule to be borne by the Insured in any one occurrence; if more than one item is lost or damaged in one occurrence, the Insured shall not, however, be called upon to bear more than the highest single deductible applicable to such items;

In respect of the parts mentioned under m) and n) above, the Insurers shall be liable to provide compensation in the event that such parts are affected by an indemnifiable loss of or damage to the insured items.

Provisions Applying to Section 1**Memo 1 – Sum insured**

It shall be a requirement of this insurance that the sum insured is equal to the cost of replacement of the insured items by new items of the same kind and capacity, which means their replacement costs including, e.g., freight, customs duties and dues, if any, and erection cost. If the sum insured is less than the amount required to be insured, the Insurers shall pay only in such proportion as the sum insured bears to the amount required to be insured. Every item if more than one shall be subject to this condition separately.

Memo 2- Basis of Indemnity

- a) In cases where damage to an insured item can be repaired, the Insurers shall pay expenses necessarily incurred to restore the damaged item to its former state of serviceability plus the cost of dismantling and re-erection incurred for the purpose of effecting the repair as well as ordinary freight to and from a repair shop, customs duties and dues, if any, to the extent such expenses have been included in the sum insured. If the repairs are executed at a workshop owned by the Insured, the Insurers shall pay the cost of materials and wages incurred for the purpose of the repairs plus a reasonable percentage to cover overhead charges. No deduction shall be made for depreciation in respect of parts replaced, but the value of any salvage shall be taken into account.
If the costs of repairs as detailed hereinabove equal or exceed the actual value of the insured items immediately before the occurrence of the damage, the settlement shall be made on the basis provided for in b) below.
- b) In cases where an insured item is destroyed, the Insurers shall pay the actual value of the item immediately before the occurrence of the loss, including costs for ordinary freight, erection, customs duties and dues, if any, to the extent such expenses have been included in the sum insured, such actual value to be calculated by deducting proper depreciation from the replacement value of the item. The Insurers shall also pay any normal charges for the dismantling of the item destroyed, but the value of any salvage shall be taken into account. The destroyed item shall no longer be covered under this Policy, and all necessary data on the relevant substitute item shall be indicated for its inclusion in the schedule.
(The Insurers may agree – by application of the relevant endorsement – to extend this insurance to cover reimbursement of the full replacement value.)

As from the date of an indemnifiable occurrence the sum insured shall be reduced for the remaining period of insurance by the amount of indemnity.

Paid, unless the sum insured is reinstated.

Any extra charges incurred for overtime, night work, work on public holidays or express freight shall be covered by this insurance only if especially agreed in writing.

The costs of any alterations, additions, improvements or overhauls shall not be recoverable under this Policy.

The costs of any provisional repairs shall be borne by the Insurers if such repairs constitute part of the final repairs and do not increase the total repair expenses.

The Insurers shall make payments only after being satisfied by production of the necessary bills and documents that the repairs have been effected or replacement has taken, place as the case may be.

Section 2 – External Data Media

Scope of Cover

The Insurers hereby agree with the Insured that if the external data media entered in the schedule inclusive of the information stored thereon, which can be directly processed in EDP systems, suffer any material damage indemnifiable under Section 1 of this Policy, the Insurers will indemnify the Insured, as hereinafter provided, in respect of such loss or damage up to an amount not exceeding in any one year of insurance in respect of each of the data media specified in the schedule the sum set opposite thereto and not exceeding in all the total sum insured hereby, provided always that such loss or damage occurs during the period of insurance stated in the schedule or during any subsequent period for which the Insured pays and the Insurers may accept the premium of the renewal of this Policy. This cover applies while the insured data media are kept on the premises.

Special Exclusions to Section 2

The Insurers shall, however, not be liable for

- a) the deductible stated in the schedule to be borne by the Insured in any one occurrence;
- b) any costs arising from false programming, punching, labeling or inserting, inadvertent canceling of information or discarding of data media, and from loss of information caused by magnetic fields;
- c) consequential loss of any kind or description whatsoever.

Provisions Applying to Section 2

Memo 1 – Sum Insured

It shall be a requirement of this insurance that the sum insured is the amount required for restoring the insured external data media by replacing lost or damaged data media by new material and reproducing lost information.

Memo 2 – Basis of Indemnity

The Insurers shall indemnify any expenses that can be proved to have been incurred by the Insured within a period of 12 months as from the date of the occurrence strictly for the purpose of restoring the insured external data media to a condition equivalent to that existing prior to the occurrence and necessary for permitting data processing operations to be continued in the normal manner.

If it is not necessary to reproduce lost data or information, or if such reproduction is not effected within 12 months after the occurrence, the Insurers shall only be liable to indemnify the expenses incurred for replacing the lost or damaged data media themselves by new material.

As from the date of an indemnifiable occurrence the sum insured shall be reduced for the remaining period of insurance by the amount of indemnity paid unless the sum insured is reinstated.

Section 3 – Increased cost of Working

Scope of Cover

The Insurers hereby agree with the Insured that if material damage indemnifiable under Section 1 of this Policy gives rise to a total or partial interruption of operation of the EDP equipment entered in the schedule, the Insurers will indemnify the Insured, as hereinafter provided, for any additional expenditure incurred for the use of substitute EDP equipment not covered under this Policy up to an amount not exceeding the agreed indemnification per day and not exceeding in all the sum insured in any one year of insurance, provided always that such interruption occurs during the period of insurance stated in the schedule or during any subsequent period for which the insured pays and the Insurers may accept the premium for the renewal of this Policy.

Special Exclusions to Section 3

The Insurers shall, however, not be liable for any additional expenditure incurred as a result of

- a) restrictions imposed by public authorities concerning the reconstruction or operation of the EDP equipment insured;
- b) the necessary funds not being available to the insured in time for repairing or replacing damaged or destroyed equipment.

Provisions Applying to Sections 3**Memo 1 – Sum Insured**

It shall be a requirement of this insurance that the sum insured stated in the schedule is the amount which the Insured would have to pay as additional expenditure for 12 months use of substitute EDP equipment of similar performance to the EDP equipment insured. The sum insured shall be based on the amounts agreed per day and per month as specified in the schedule.

The Insurers shall also reimburse the Insured for personnel expenses and costs for transportation of materials following upon any event giving rise to a claim under this section, provided separate sums therefore have been entered in the schedule.

Memo 2 – Basis of Indemnity

In the event of failure of the EDP equipment insured the Insurers shall be liable for the additional expenditure that can be proved to have been incurred for the period during which the use of substitute EDP equipment is essential, but at the most for the indemnity period agreed.

The indemnity period shall commence as soon as the substitute equipment is put into use.

The Insured shall bear that proportion of each claim which corresponds to the time excess agreed.

If it is found following an interruption of the operation of the EDP equipment insured that the additional expenditure incurred during the period of interruption is higher than the proportionate share of the annual sum insured which is applicable to this period, the Insurers shall only be liable to indemnify the Insured in respect of that proportion of the agreed annual sum insured which is applicable to the period of interruption, duly taking into account the indemnity period agreed.

Any savings in cost shall be taken into account when calculating the indemnity amount to be paid by the Insurers.

As from the date of an indemnifiable occurrence the sum insured shall be reduced for the remaining period of insurance by the amount of indemnity paid, unless the sum insured is reinstated.
